

**MEETING NOTES
September 26, 2008**

I. WELCOME AND INTRODUCTIONS

**II. EXECUTIVE COORDINATOR REPORT
Susan Stone**

Susan abbreviated her report, as many important presentations were invited for the meeting. She reminded participants about the Early Childhood Intervention Forum to take place on October the 3rd at 10 AM at City Hall, and encouraged members to attend. She also reminded members about the BiNational Conference to take place on October 10th. The contract with the Corporation for Supportive Housing to develop a financial modeling report is nearing completion. Work on that contract should start in early 2009. There has been continued refinement of the mentally healthy community indicators and system capacity analyses. The access and housing subcommittee met just prior to the full committee meeting to discuss further.

Kathleen Casey provided an update on Disaster Response to Hurricane Ike.

**III. AGENCY REPORTS: APD and TCSO
Mike Turner; Kitty Hicks**

Sgts. Hicks and Turner provided updates on data collected with regard to the two Crisis Intervention Teams in Austin/Travis County. They also described disaster response to the hurricane, and Sgt. Hicks provided an update about those waiting for transfer to hospitals after having been found incompetent to stand trial.

The next agency report will be from Austin Travis County MHMR Center.

**IV. SUICIDE DATA PROJECT REPORT
Marcia Toprac**

Marcia Toprac provided an overview of the Suicide Data Project Report recently completed. The full report is available on the web site: mmhtfmc.org.

V. SUICIDE POSTVENTION REPORT
Merily Keller

Merily Keller provided an update on the Suicide Postvention efforts taking place in our community. The final report is pending, but will be placed on the web site when it is complete.
